STATE OF NEW HAMPSHIRE

To the inhabitants of the town of Haverhill in the county of Grafton qualified to vote in town affairs:

You are hereby notified to meet at the town hall in said town on Tuesday, the 10th day of March, 1936, at ten o'clock in the forenoon, to act on the following matters:

Article 1. To choose a town clerk.

Article 2. To hear the reports of the selectmen, treasurer, cemetery commissioners and any other town officers heretofore chosen, and to pass any vote relating thereto.

Article 3. To choose one selectman for the term of three years, a town treasurer, one or more highway agents, one or more auditors, one library trustee for the term of three years, one cemetery commissioner for the term of five years, one trustee of trust funds for the term of three years, and all other necessary town officers.

Article 4. To see if the town will vote to make any alterations in the amount of money required to be raised and appropriated for the ensuing year for the support of the town and payment of statutory obligations of the town, as recommended by the finance committee in its budget report, to raise and appropriate all sums so determined for the purposes so determined, and to pass any other vote relating thereto.

Article 5. To see if the town will vote to authorize the selectmen to issue interest bearing orders or notes to provide for the current year's expenses in anticipation of taxes.

Article 6. To see if the town will vote to authorize the selectmen to distribute the inventory blanks at the time they examine the taxable property.

Article 7. To see if the town will vote to grant a discount of four per-cent for the prepayment of real estate and personal property taxes if paid on or before July 1, 1936, or if for reasons beyond the control of the tax collector tax bills cannot be distributed before July 1, 1936, within such time after July 1, 1936, as the finance committee shall deem proper and direct.

Article 8. To see if the town will vote to authorize the selectmen to administer or dispose of any real estate acquired by the town through tax collector's deeds.

Article 9. To see if the town will vote to apply all money received from the sales of deeded property to the reduction of the temporary indebtedness of the town.

Article 10. To see if the town will vote to appoint a budget committee to supervise the appropriations of the town and to recommend to the next annual meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

Article 11. To see if the town will vote to re-value the taxable property of the town, to choose three or more assessors to act with the selectmen as a joint board in making such reappraisal and the assessment of taxes thereon, and to pass any other vote relating thereto.

Article 12. To see if the town will vote to discontinue the highway near the Fred Burnham place, so called, from its junction with the Peters Road, so called, to the Bath town line.

Article 13. To see if the town will vote to grant permits to druggists for the sale of liquor in this town for medicinal, scientific and mechanical purposes, under the provisions of chapter 144 of the Public Laws.

Article 14. To transact any other business proper to come before said meeting.

Given under our hands and seal this 14th day of February, 1936.

REPORT OF SELECTMEN

To the Citizens and Taxpayers of Haverhill:

We submit our report for the year ending January 31, 1936. On the following pages will be found the detailed statement.

You will note in the following report an overdraft of nearly \$9,000. This amount is chiefly in three departments, the Poor, Highway and Police.

This is the first time our road agent has exceeded his appropriation, for reasons, over which he has no control. \$846.02 had to be taken from his account to match the \$3384.08 that the state paid for graveling Town roads, also the great amount of snowplowing and the purchase of a new tractor and a snowplow, left the road agent only \$3000., for work on the highway during the summer.

For several years we have had many requests for a revaluation of the Town. The Town has not had a thorough revaluation since 1912 and the selectmen feel this ought to be done. An article has been placed in the warrant, leaving it to the voters to decide.

The Poor account has gone beyond expectation of any one. We assumed that the Town would be reimbursed by the state for 50%, but state funds were exhausted by November first and we have had no returns since that time. \$527.18 was paid the state for relief in previous years.

We believe the relief situation has been handled very satisfactorily by the present setup.

\$1400 was appropriated for the police department of which over \$1200 is paid for the salary of the one night officer. It has been necessary to have considerable more police protection this year than in previous years because of the fact that the Town has been over run with intoxicated inmates from the transient camp. This item alone has no doubt cost the Town nearly \$1000 for extra police protection. We do not intend to insinuate that all the inmates of the camp are undesirable but there is a percentage large enough to cause the Town this extra expense.

Respectfully submitted,

JONAS N. BROWN,
ARTHUR E. DAVIS,
WESLEY G. WHITE,

Selectmen of Haverhill

		\$26,760 00

Reference to detailed information on various pages of the printed town report, discloses amounts expended during the past fiscal year as well as probable expenditures for the ensuing year. Also you will find the amount recommended to be raised to balance the proposed Town Budget. The amount to be raised \$26,760.00 is \$9,928.49 or 59% more than was assessed for 1935.

In explanation of this figure last year we set up \$3,000.00 for town poor but by the time the assessment was made this amount was found to be entirely inadequate and the Selectmen had our permission to increase this amount to \$6,000.00 and still later events proved even this figure to be approximately \$4,000.00 too small.

Of the nearly \$10,00 excess amount to be raised over last year practically \$6,000.00 is for town poor and an increase in State and County taxes.

The break-down in the Relief program wherein the State and in turn the Town fails to receive Federal monies is significant so far as the Town's excess for relief is concerned. Town maintenance was underestimated in last year's budget figures to cover an item of \$846.02 which had to be paid the State on account of town road aid. This was established by the Legislature after our Town meeting of last March. Beyond this, excessive snow bills have tended to an

over run. One half of all highway monies go to the Woodsville Precinct.

Increased State and County expenditures are expected in the Towns, State and County tax assessments.

The financial condition of the Town of Haverhill is not critical but the problem for the future deserves the thought and co-operation of all citizens. In spite of two widely advertised meetings of the Budget and Finance Committee welcoming interested citizens no one appeared.

The business of administering relief in the Town seems to be well handled in spite of numerous obstacles and contrary to the opinion so freely expressed on the street corners. A few minutes spent in Town Meeting upon this subject will be both educational and helpful and may lead to a suggested change in the future plans of administration. 308 persons on direct relief is too large a percentage of our population and some way must be found to correct it. More time spent in getting the number reduced and less in criticism of the expense which on a per capita basis is not excessive would prove beneficial to every tax payer.

For several years there has been an agitation on foot for a reappraisal of the property values of the Town. It has appeared in the past to be good judgment for your Budget and Finance committee to oppose this. As a committee this opposition is now withdrawn. There appears to be advantages in a reappraisal in the expectation of adjusting values to present day levels and in the hope to be relieved of what many consider an unjust county and state levy. The mechanics of getting the reappraisal will be both difficult and expensive but of course not impossible. It is our understanding that the tax rate will take a mighty jump and thereby we may expect more than ordinary close scrutiny by the Tax Commission upon all reappraisal values including stocks in trade and personal property.

The Budget and Finance committee are grateful to the town officers in various capacities for the splendid cooperation of the past. Without this cooperation your annual tax bills would have been many dollars a year higher. In spite of economies, there have been no serious reductions in efficiency. It is discouraging in the face of this good record to face obstacles practically beyond control as concerns increased expenditures as mentioned herein. It is high time for our citizens to take a more active interest in the business of running our government in its several political divisions.

Respectfully submitted,

H. B. KNIGHT,

H. E. SMITH,

E. E. CRAIG,

Finance Committee

From the balance on hand Jan. 31, 1936 the amount of \$218.59 is in the Woodsville Guaranty Savings Bank to the credit of the sinking fund, divided between East Haverhill, Center Haverhill and No. 6 Cemeteries, the balance of 32 cents is in the Woodsville National Bank, to the credit of the general fund.

In connection with this report, would like to say that the Commission for the last three years have tried to have the three cemeteries that are private associations arrange to turn them over to the town, as we thought it would be better for all concerned to have them direct under the care of the town, but we have not been able to do so. While we understand that two of the asociations are willing to do so, the other one does not want to. We have paid each of these cemeteries their part of the town appropriation, and the interest on the trust funds of that cemetery.

If this could be brought about there should be a commission of seven members instead of five as now, that would give one commissioner to look after each cemetery, all making their report to the Cemetery Commission.

Respectfully submitted,

ERNEST E. CRAIG,

Treasurer of the Commission.

AUDITOR'S REPORT

We the undersigned, auditors of Haverhill certify that we have carefully examined the accounts of the Selectmen, Tax Collector, Town Treasurer, Town Clerk, Trustees of the Trust Funds and of the Cemetery Commission, and find them correctly cast and properly vouched, and there is a balance in the hands of the Cemetery Commission of \$218.91. We also find five outstanding town orders numbers 7357, 8108, 8115, 8131 and 8133 amounting to \$134.65.

We also certify that in the presence of two selectmen, town treasurer, we destroyed by burning Town Bonds numbers 13, 14 and 15 in the amount of one thousand dollars each, and all matured coupons. February 12, 1936.

Last year a donation from the Progressive Club and funds from the State enabled the school, with the cooperation of the Woodsville dentists, to hold a dental clinic at which one hundred twenty-five children were treated. Through a federal grant and the kindness of a friend milk and crackers were given to thirty pupils during the five winter months. This winter milk and crackers are being furnished to forty-three children. This much appreciated project is sponsored by the Progressive Club assisted by the Hannah Morrill Whitcher Chapter D. A. R., The Catholic Woman's Club, Tracy Ross Post American Legion, American Legion Auxiliary, The Methodist Girl's Club, Woodsville-Wells River Rotary Club, Mt. Gardner Grange, Mary A. Glidden Lodge of Rebekahs and a group of friends.

In the matter of repairs and equipment there are a few things much needed. To remove the menace of falling plaster the second and third grade rooms should have steel ceilings. The high school assembly hall needs redecorating while the laboratory is much in need of another chemistry table.

The general work of the schools is progressing well. For detailed information regarding the activities of the high school, I would call your attention to the headmaster's report which follows this. I wish to take this occasion to thank our friends who have helped raise money for athletic expenses and those who have furnished transportation for the teams.

Respectfully submitted,

EDWARD A. JANES.

REPORT OF THE HEADMASTER

To the Superintendent of Schools:

I offer herewith my eighteenth annual report of the Woodsville High School, for the year ending January 31, 1936.

To date there have been registered one hundred sixty-five pupils, seventy-three boys and ninety-two girls. Of these, forty are seniors, twenty-six juniors, forty-eight second year, and fifty-one first year. There are no post-graduates or special pupils. The tuition list shows sixty-eight names.

The class of 1935 was the thirty-ninth to graduate, and had thirty-one members: Roy T. Bagley, Nathan G. Brill, Dorothy M. Brown, Ruth A. Chamberlin, Olga M. Chiaradia, Lee R. Cinnamond, Dephine R. Colby, Charles B. Darling, Harriet L. Davison, John P. Davison, Thelma M. Dearborn, Luigi P. Duca, Edward M. French, Donald H. Fullerton, Leo P. Grenier, Hollis E. Humphrey, John B. Kennedy, Joan E. Knight, Esther B. Lamontagne, Warren N. McLure, Howard F. Nelson, Bertha E. Platts, Dorothy A. Prescott, Virginia Ramsay, Carl N. Sipprelle, Dorothy Smith, Charlotte M. Snelgrove, Kenneth C. Stewart, Fausta Venturini, Dorothy E. Wallace, Marion F. Wood. There are now six hundred and sixty graduates since Mr. Robinson opened the school on August 31, 1896. This coming graduation will complete forty years of service to the community, and note of it will be made on that occasion.

First place in 1935 was taken by Bertha Platts, and second place by Harriet Davison. The alumni attainment award was given to Howard Nelson, presentation being made by the president of the association, Edward Miller, of the class of '22. Larkin Hosford, director of music, presented the Perley N. Klark music

award to Donald Fullerton. The class left a sum of money to be applied to erecting a sundial on the south front of the building. Book-size, folded diplomas were used this year for the first time.

The baccalaureate sermon was given by Rev. James H. Perkins of Newbury; and an address at graduation on "Education for Purposful Living" by Rev. Herbert G. Schulze of East Craftsbury, Vermont.

Compilation of recent graduates in colleges and other schools shows fifty-five persons in thirty-two institutions, the largest number in all the years of W. H. S.

Many activities outside of the regular classroom program are worthy of mention—Individual counsel has been offered many pupils in regard to particular occupations, and the long-time outlook of any given job. Programs of study were discussed with the Eighth grade pupils. Civic activities have been visited and their organization and procedure noted. The Band took part in the state meet at Laconia; orchestra, athletics and lyceum have functioned as usual for several years. The High School Tercentenary was observed; a Washington pageant was presented; a night session for parents to visit was a feature of Education week. Mrs. G. H. McGaw contributetd a service to the community by rehearsing forty-one pupils for appearance in four public speaking programs. Pupils took part in the Scholastic literary contests, in scholarship day at Plymouth, public speaking at Durham, the Horatian bimillennium translation contest, and various essay contests; the Cycle received one of the prize positions in the Columbia judging contest. A feature of the year was twenty-four assembly addresses by visiting speakers. Many details were noted in the local press, and are preserved in the school scrap books.

A period for spelling, and another for club activities have been introduced into the weekly schedule; and

a longer assembly once a week has been substituted for the former daily meeting.

The school is a busy center, a power house of possibilities; and parents and other citizens are urged to support by their interest and visits the varied educational program of the young people.

Respectfully submitted,

G. H. McGAW, Headmaster

REPORT OF THE SCHOOL BOARD OF HAVERHILL

We, the undersigned members of the Haverhill School Board, beg to submit the following report:

First of all we wish to draw the attention of the voters and taxpayers to the annual reports by Superintendent, Mr. Edward A. Janes, and by the Headmaster of Haverhill Academy, Mr. F. H. Jenkins. Both these reports reflect a clear picture of the present standing of our Schools, also embody several worthy recommendations for consideration.

Regarding the up-keep of the different School Buildings quite a number of improvements were made during the past year, although some of them were unexpected and entailed considerable outlay. After we had contracted for painting of the outside of the East Haverhil School House, it was discovered that the roof was completely gone, and the necessary repairs, in order to put it in first class shape again, cost about \$350. Another unexpected repair item was the re-shingling of the roof of Pearson Hall at an approximate cost of \$315.

The School House at Centre Haverhill was painted inside and out, and there were also new columns installed on the porch of that building.

Minor repairs were made at No. 6 School House including the re-painting of the ceiling.

A new drinking fountain was installed at Haverhill Academy and we were obliged to have a new pump.

installed at Alumni Hall for disposing of the water which constantly accumulates in the pit of the furnace.

Eighteen new desks were placed in the grammar room at Pike School, thus completing the re-equipping of that room, 11 desks having been placed there the year before. It is planned to start re-equipment in the Primary room during the coming School year.

In view of the fact that the enrollment at Briar Hill has dwindled down to 3 pupils the Board contemplates closing that School at the end of the present School year.

The attention of the tax payers and voters of the district is called to the proposed expenditures for the year from July 1, 1936 to June 30, 1937, and the budget has been prepared with utmost care and with a view of strict economy.

The retiring member of the Board is Mr. Emile Blank of Pike.

Respectfully submitted,

EMILE BLANK,

Wm. H. SLIGHT,

In connection with the information given in the statistics for last year, I would like to add that the per cent of attendance for the Haverhill schools was but a trifle less, while the number of tardy marks per pupil was considerably higher than the state average.

The state reports show that the per pupil cost in the elementary grades in more than half of the two hundred thirty-eight districts of the state was higher than that of Haverhill. The per pupil cost in the Academy also was lower than the average.

With the help of federal funds a dental clinic was held at which eighty-five elementary pupils received free treatment and twenty-one high school pupils had work done at special rates. Another grant of money made it possible to furnish milk to thirty-nine children during the five winter months.

This year a much improved drinking fountain has been installed in Haverhill Academy and new desks supplied in the Pike grammar room. Modern adjustable desks are still needed in the Pike primary room and two chemistry tables in the Academy laboratory. Hot water from a furnace attachment is an improvement which would greatly facilitate the work in the domestic arts kitchen.

It was a pleasure to receive favorable reports and comments from the state inspector after his visit to the high school this fall. For a detailed account of the activities at Haverhill Academy I refer you to the headmaster's report which follows this.

Respectfully submitted,
EDWARD A. JANES

REPORT OF HEADMASTER

To the Superintendent of Schools:

I submit herewith my twelfth annual report of Haverhill Academy and High School for the year ending January 31, 1936.

There have been enrolled in the Academy for the school year 1935-1936 to date 124 pupils. Of this number 18 are tuition pupils. This is an increase of one over last year's record enrollment.

The enrollment by classes is as follows:

	Boys	Girls	Total
Seniors	9	10	19
Juniors	18	16	34
Sophomores	12	30	42
Freshmen	16	13	29
	<hr/> 55	<hr/> 69	<hr/> 124

There have been 8 withdrawals to date, making the present enrollment 112.

A comparison of the number of pupils now enrolled in the senior class with the number in that class as they entered in 1932 shows that nearly 50% have left school during the three and one half years. Of the 284 possible graduates covering a period of the last ten years and including the class of 1935 but 161 have graduated or only about 57%. These figures are indicative of the highly selective character of those who do graduate. Although these figures appear startling they are nearly 10% above the average for the country as a whole. The school census of 1930 shows that less than 50% of the pupils who enter our secondary schools ever graduate. The same report shows that only about 50% of the elementary school children for the country as a whole enter our secondary schools, while in this district from 80 to 90% enter. We should therefore expect even a larger percentage to leave our

school than for the country as a whole in as much as very little selection has taken place previous to high school entrance. Even though the percentage of those who fail to graduate is too high it's much lower than the average of all schools.

The following pupils graduated in June: Willis Applebee, Joyce Campbell, Madelyn Clough, Adrian Conrad, Elizabeth Dargie, Ruth Glidden, Frederick Glover, Bernard Lavoie, Charles Manuel, Lyle McKean, Vance Rogers, Mary Rollins, Josephine Stevens, Christina Wheeler, Douglas White.

First and second honors as determined by school marks were won by Madelyn Clough and Elizabeth Dargie respectively. Douglas White won the "John Dexter Locke Latin Prize" and Bernard Lavoie was awarded the "Scholarship, Loyalty and Achievement Medal." Four of the graduates are at present attending post-secondary and special training schools.

The usual extra-curricula activities consisting of baseball, basketball, glee clubs, orchestra, school parties and winter sports have been maintained with an increasing number of participants, particularly in winter sports. The athletic teams continue to compete successfully with other schools in spite of the limited as well as the somewhat unfavorable time for practice. The glee clubs presented, during the spring, the operetta "Windmills of Holland", appeared on the commencement program in June, and gave a concert of Christmas carols at the Christmas party held at the end of the fall term. A one act play entitled, "That Troublesome Christmas Present" was also presented at the Christmas party. The orchestra has furnished music for all school functions including plays, commencement, school parties, and for dancing after the Friday night basketball games. The orchestra also furnished music for the Newbury Senior class play.

There is no evidence that the pressure of the extra-curricula activities have in any way lowered the scholastic attainment of the pupils. On the contrary they have, we believe, had a stimulating effect upon scholastic achievement. The results of the state achievement tests as well as those given in the course of the regular school subjects show that our pupils equal and in many cases exceed the standards as derived for these tests. All of the graduates now attending post-secondary institutions are carrying their courses creditably.

The program of studies remains the same as last year except that economics and sociology which have been offered as half year subjects will now be offered as full year subjects, economics being given in the junior year and sociology in the senior year. This change is equivalent to adding one extra unit. It also eliminates the necessity of all boys in the commercial curriculum electing either physics or French or advanced mathematics. As the program of studies now stands, boys are offered 24 units and girls 28 units, while but 16 are required for graduation. Thus boys, theoretically at least, have during their four year course 8 electives and girls have 12. Practically, however, owing to the large classes and small class room and the limited number of teachers, the daily time table can not be so arranged as to allow all pupils the possible number of electives. It should also be understood that the possible number of electives becomes limited after the first year and increases in their limitation with each succeeding year depending upon the choice of subjects during the first and second years. For example: The pupil who fails to elect algebra in his freshman year has eliminated the possibility of electing geometry in his sophomore year and advanced mathematics in his senior year. He has also increased the difficulties of physics and chemistry by not having

had the rather necessary mathematical background. Therefore those pupils who wish to enjoy a comparatively wide choice of subjects in their two upper years should give considerable attention to their choice of subjects in the first two years.

The books of the activities fund shows a cash balance of \$78.49 as of January 31 with all bills paid. Our ability to finance the extra-curricula activities of the school without direct appropriation is dependent upon your interest in and attendance at these same activities. We gratefully acknowledge both and especially wish to thank the parents and other citizens of the community for providing transportation for our athletic teams.

Respectfully submitted,
FRIEND H. JENKINS, Headmaster.
